

State House
Wednesday: 4:00 PM
Room 101
Housing and Municipal Government Committee Meeting/Hearings
Need to get actual bld. location of meeting

[Please support for the following housing bills: 5957, 5689 and 5690.](#)

The developers and real estate lawyers are the ones benefiting from all this LMI housing.

The Smithfield tax payers, Smithfield resident, educational system DO NOT BENEFIT from new laws passed for LMI housing developments. The developers are coming out of the wood work to capitalize on new housing laws to the detriment of the tax payers.

Sincerely,
Joyce Stevens
