I am writing on behalf of my niece Jeannine Mycroft whom I believe, is one of the last surviving people who was born during the Rubella epidemic of the 1960's. She cannot see, hear or communicate verbally. She has been living in a nice group home for many years and seems happy and content with the staff there. It will be such a tragedy if a shortage of funding should impact her home life. Please PASS this bill.

Sincerely,  
Eva M. Gaudette
