Subject: Support H5036 for Committee votes on top three priorities

Follow Up Flag: Follow up
Flag Status: Flagged

Dear Speaker Shekarchi and Chair Fogarty,

I'm writing in support of H5036, to allow House Representatives to have their top three priority bills prioritized for a vote.

This bill will help the public feel as though more decisive action is being taken on bills that matter to them.

Thank you for your consideration and I hope that this is a positive and productive session for you all.

Best,

Rebecca Lema
