

Hello,

I'm writing to express my strong support and appreciation for your backing of House Bill 6124, which would establish community service license plates for Cranston Cares.

These specialty plates are more than just a show of community pride—they will directly support charitable efforts across Cranston. A portion of the proceeds from each plate will help fund important initiatives, including our annual donation of over 200 turkeys to veterans during Thanksgiving, and our holiday toy drive that brings joy to local children in need.

Your continued support of House Bill 6124 will allow Cranston Cares to expand its reach and provide even more meaningful resources to those who rely on our programs. This legislation offers a simple but powerful way for residents to give back and make a real difference.

Thank you again for championing this initiative and for your ongoing commitment to our community.

Justin Erickson
