Subject: FREEDOM TO READ bill (H7386/S2281).

Hello,

My name is Mary Beth Rodrigues (02861) and I am writing in support of **FREEDOM TO READ** bill (H7386/S2281).

I believe it's imperative to keep our libraries a safe and sacred space for access to books of all kinds and backgrounds. Book bans are a form of censorship and should have no place within our country.

Rhode Island needs to remain a state where we don't allow fear to dictate access to reading and educational materials.

Thank you,
