Bill H 7386  
In Favor

Dear Chair Rep. Evan Shanley, Vice Chairs Rep. Mary Messier and Rep, Arthur J. Corvese:

I would like to register my support of H 7386, **The Freedom to Read Act**. As a mother, grandmother, librarian and life-long Rhode Islander I support everyone's freedom to read. None of us can decide what information a person should have access to. Unrestricted access to information is necessary for a democracy to flourish. Please support this legislation.

Sincerely yours,  
Susan L. Reed
