Subject: House Bill. H8148. Attn Steven Sepe

I wish to voice my support of House Bill H8148. As a retired financial services executive ,resident of Providence and long time sailor in our beautiful state, I witnessed the long running debacle in Block Island . Following that event fro years thinking it was over several times only to find out a backroom deal had been struck by CRMC. I applaud our Attorney General for stepping in to stop that deal. This is the time for change. Please pass House Bill H8148. Bruce Long 33 Arnold St Providence RI
