Good morning.....please include my email being OPPOSED to the following RI House Bills:

H5382, 5515, 5517, 5709

Each of these bills would distort RI election integrity. In the case of H5382, 16 year olds are not adults and should not be voting in elections at this age. Voting in elections is a responsibility not to be taken lightly. 16 year olds have no concept of what they would be voting for.....they would be voting based on either their parents recommendation or a school class narrative.

Thank you
