Dear Honorable Chair Shanley and esteemed members of the House Committee on State Government and Elections:

My name is Renu Englehart and I am a town councilor for the town of East Greenwich. Please accept this written testimony;

**Support 5517;** this will make it infinitely easier to accommodate some of the growth we are currently experiencing. It also saves the town add'l manpower and time setting up another polling location.

**Support 5515;** Same Day registration makes it easier for new residents to vote.

**Support 5382;** Allowing teens to register to vote keeps them engaged in the government esp in issues that affect them. It does not allow them to vote prior to 18 yrs.

**Oppose: 5711;** There is no reason to require DOB and BC when that is already part of the process of registering to vote. It is redundant.

**Oppose 5873;** There is no reason to require DOB and BC when that is already part of the process of registering to vote. It is redundant.

Thank you  
Renu Englehart
