To House Committee on State Government and Elections,

My name is Jason Romblad, an unaffiliated voter from Woonsocket. I am providing my testimony today in opposition to bill H5275.

I do not agree with this bill as I think the current way of voting, choosing one person who you want in office, is the easiest form of voting. Rank choice will just add confusion among some voters. Keep it simple and please vote no on this bill.

Thank You.
