To House Committee on State Government and Elections,

My name is Jason Romblad, an unaffiliated voter from Woonsocket. I am providing my testimony today in opposition to bill H5277.

In my opinion, this is one of the craziest election bills put forward this year. As there are many more Democrat voters in RI then there are Republican/Unaffiliated voters, I believe this is a Democrat ploy to remove non Democrat candidates from elections. This type of primary election should not be used in Rhode Island. Please vote no on this bill.

Thank You.
