

Hearing: March 25, 2025

The Honorable Kathleen Fogarty, Chair and Distinguished Members
of the House State Government and Elections Committee:

RE: H5519 - An Act Relating to Elections - Agreement Among the
States to Elect the President by National Popular Vote.

I **strongly OPPOSE** H5519, which would repeal the current
agreement Rhode Island has with other states to elect the President
by National Popular Vote. It is only right that each person's vote is
counted toward the presidential election - one person one vote.

The Agreement Among the States insures that whoever wins the
presidency and vice-presidency via the national popular vote would
win the election. And this is certainly fairer than the electoral
college which over represents some states and under represents
others.

Please vote **NO** on H5519.

Respectfully,

Mary Chace
