**Subject:** Freedom to Read Act H5726

To House Government Committee Clerk Steven Sepe:

As a lifelong reader, and someone who has always depended upon my local and school libraries as a primary source for books, magazines, and research material, I feel very strongly that I, and everyone, should be able to read what we choose.

I am in favor of the Freedom to Read Act S0238, and I ask you to support it with your vote.

Sincerely,

Cherisse Bandy
