ACLU OF RI POSITION: SUPPORT

TESTIMONY ON 25-H 6125, HOUSE RESOLUTION EXPRESSING SUPPORT FOR THE LGBTQIA+ COMMUNITY April 3, 2025

As longtime advocates for LGBTQIA+ rights and equality, the ACLU of Rhode Island supports this resolution, which expresses the Rhode Island House of Representatives' commitment to supporting and protecting LGBTQIA+ identifying Rhode Islanders.

In the wake of continuing attacks from the current presidential administration against the transgender and non-binary community, the sentiments of this resolution are particularly pertinent. Now, more than ever, it is important for our state leaders to take a stand against discrimination and to assure targeted communities of the state's strong support for them from unwarranted and prejudicial attacks on their very being.
