Subject: Support Bill H. 5453

Dear Chair Shanley and members of the committee,

I am writing in support of Bill H. 5453 for the following reasons

CRMC wears both hats as both a protector and an advocate for special interest. As a political organization, it can no longer function in the public best interest.

CRMC wears both hats as both a protector and a advocate for special interest. As a political organization, it can no longer function in the public best interest The initial mandate of CRMC would be better served if its function were folded into DEM.
