*\*an original, signed version of this Memo was submitted to the General Assembly.*

1. **Article 1 – Relating to Making Appropriations in Support of FY 2022**

SECTION 1. This amendment removes language that was inadvertently included and is not relevant to FY 2022 appropriations.

Page 10, lines 8-12: Strike all language contained in lines 8 through 12 (inclusive).

SECTION 19. This amendment inserts language related to a revenue initiative which was included in budget narrative materials and assumptions but was omitted from the Appropriations Act in error.

Page 44, after line 7: Insert the following new Section 19 and renumber subsequent article section(s) accordingly:

SECTION 19. Notwithstanding any general laws to the contrary, the Department of Environmental Management shall transfer to the State Controller the sum of one million dollars (\$1,000,000) from the Underground Storage Tank Trust Fund restricted receipt account by June 30, 2022.

2. **Article 3 – Relating to Government Reform and Reorganization**

SECTION 6. This amendment corrects an error that inadvertently skipped a year of the required DD Article 28 monthly BHDDH reporting.

Page 64, line 8: Add “effective July 1, 2022” following “[...]is hereby repealed.”

3. **Article 4 – Relating to Debt Management Act Joint Resolutions**

SECTION 6. The fiscal year referenced in which implementation costs would be shared by the federal government for the Rhode Island Child Welfare Information System (RICHIST) replacement project requires updating.

Page 75, line 20: Replace “begin in fiscal year 2021.” with “beginning in fiscal year 2022.”

4. **Article 6 – Relating to Fees**

SECTION 1. Attached to this memo is a new section for Article 6 that was inadvertently left out of the original Appropriations Act as submitted by the Budget Office. This section changes the 5-hour continuing education unit requirement from every other year to 2.5 hours in each year, to align with the new proposed Contractor’s Registration Board fee structure. Add as Section 1 in Article 6 and renumber subsequent article sections accordingly.

SECTION 5. The following amendments clarify which hospitals are subject to the hospital licensing fee imposed in Article 6.

Page 86, line 30: Remove strike from “2019” and delete 2020.

Page 86, line 33: Remove strike from “2020” and delete 2021.

Page 87, line 3: Insert new subsection (h) that reads, “The licensing fee imposed by subsection (c) shall apply to hospitals as defined herein that are duly licensed on July 1, 2021, and shall be in addition to the inspection fee imposed by § 23-17-38 and to any licensing fees previously imposed in accordance with this section.”

**5. Article 9 – Relating to Economic Development**

SECTION 14. This amendment is to strike an incidental mention of Providence Plantations. This action is to be consistent with the fact that a reference to this now obsolete terminology was struck elsewhere in the Appropriations Act.

Page 117, line 27: Strike “~~a and Providence Plantations~~”

**6. Article 12 – Relating to Medical Assistance**

SECTION 8. This amendment corrects a minor reference error in the Medicaid Resolution.

Page 244, line 18: Strike from “~~(f)~~” and add “(o)” following the strike of (f).
