Subject: Support S 2179 - Hearing April 8
Date: Sunday, April 5, 2026 1:46:16 PM

You don't often get email from maconheeny@gmail.com. [Learn why this is important](#)

Dear Honorable Senators,

Please support S2179 (Paolino) Pleas keep permanent Eastern Standard Time. It is better for one's health as doctors have said because it goes with the body's circadian rhythm and it is better for safety because the sun rising will stay at a good hour and not be dark later. thank you
Marie Conheeny Riverside RI
